

TalentPro India HR Pvt Ltd donated 13,000 litres of liquid oxygen to Tirupati-based hospitals

Growing demand for medical oxygen, TalentPro India HR Pvt Ltd donated 13,000 litres of liquid oxygen to Tirupati-based hospitals BIRRD and Ruia Hospitals respectively on Monday night.

Dr. R Reddeppareddy, Special officer, BIRRD hospital, said that after installing the 13,000 litres oxygen storage tank, they could support up to 200 patients. With the existing facility, they could provide oxygen to up to 50 patients only. Terming it as a timely help, TTD Additional EO AV Dharma Reddy thanked TalentPro India HR Pvt Ltd for the act of benevolence and the VRV company for their prompt action in supplying the tank in such a short span.
